

Zoning Information – 606 Cline Avenue, Morristown, TN

According to the City of Morristown Planning Dept., the subject property is zoned as follows:

R-1: Single Family Residential District (City of Morristown)

This is the most restrictive residential district, intended to be used for single-family residential areas with low population densities. Additional permitted uses, by Review of the Board of Zoning Appeals, include related non-commercial recreational, religious and educational facilities normally required to provide the basic elements of a balanced and attractive residential area. These areas are intended to be defined and protected from the encroachment of uses not performing a function necessary to the residential environment.
